

## Welcome

Our prayer is that you are enjoying your Labor Day weekend. We are encouraged that you have chosen to be faithful in worship during the holiday. I am sure your holiday will be better because you were in church.

Hope you have brought your Bibles with you today. Liberty is a Bible believing, Bible preaching, Bible teaching church! One of the things that pleases me the most is to see hundreds and hundreds of people carrying, opening, and reading their Bibles as we study God's Word together. May God use His Word to change our lives today!

Pastor Bishir
